

## Plant Lab V Sample Paragraph

In Plant Lab V, we **studied** flowers. The **first** flower that we examined, \_\_\_\_\_ (*Species*), had flowers \_\_\_\_\_ cm long and \_\_\_\_\_ cm wide. It had number of petals, number of sepals, number of anthers, and number of pistils. \_\_\_\_\_'s petals were colored \_\_\_\_\_, while its sepals were colored \_\_\_\_\_. \_\_\_\_\_ had superior/inferior ovaries, specifically \_\_\_\_\_ ovaries. The **second** flower that we examined . . . **In summary**, . . . .
